

Executive Sherpa Workflow Program

With the Executive Sherpa Workflow Program you gain:

- **Peak Efficiency** – quickly clear away the email, paper, ideas, and other items that get in your way
- **Peak Focus** – increase visibility of what is most important so you get more of the right things done
- **Peak Control** – be more strategic, achieve your goals, and feel on top of it all at the end of the day

“Sherpa keeps me on task, on target, and on top of things so I can be more productive and leave work at work.”

Greg Wells
Chief Alliances and Markets Officer
Vistage, the world's largest CEO membership organization

The Executive Sherpa Workflow Program is designed for executives seeking to expand the reach of their leadership and improve the execution of their strategy. This highly customized engagement is tailored to your particular workflow needs and incorporates elegant mindware that makes the most of the software and communication tools you already use. Your personal Sherpa expertly guides you to bridge the gap between knowing and doing on your journey to workflow mastery.

The Executive Sherpa Workflow Program is based on the proven Sherpa Workflow Methodology developed by Sherpa Performance Guides principals Guido Groeschel and Mike Salomon. Sherpa Performance Guides is the only consulting and training company that gives you the tools, the know-how, and the hands-on guidance you need to be in control and get the most out of your busy work day.

You Receive Sherpa Guidance

- Sherpa Workflow Assessments to determine your workflow opportunity areas
- Productive hands-on sessions led by a certified Sherpa to guide you at your pace
- Sherpa Configuration to support your use of the Sherpa Workflow Methodology
- Specialized Sherpa Workflow Tools to customize your workflow system for optimal effectiveness
- Stakes in the Snow™ embedded in your workflow to facilitate adoption

You Achieve Results

- Execute important strategies on time or ahead of time
- Make better decisions faster to get more of the right things done
- See opportunities and obstacles sooner
- Motivate increased accountability
- Make meetings more productive
