

Standard Sherpa Workflow Program

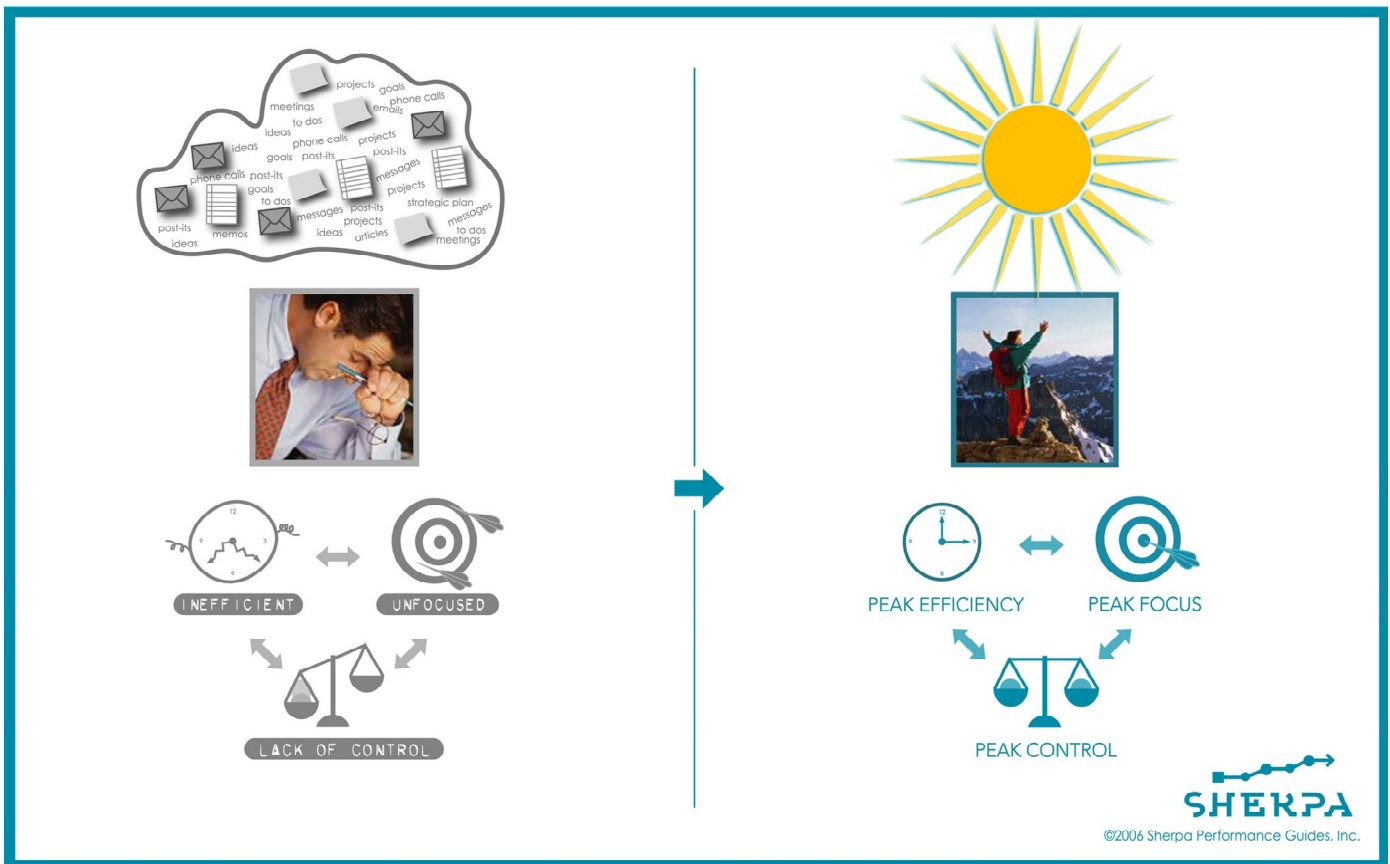

Sherpa Performance Guides is an executive performance company offering a unique combination guidance, habits, and tools so you can overcome the avalanche of information and stay on top of the meetings, projects, and initiatives on your plate.

With the Sherpa Workflow Program you gain:

- **Peak Efficiency** – quickly clear away the email, paper, ideas, and other items that get in your way
- **Peak Focus** – increase visibility of what is most important so you get more of the right things done
- **Peak Control** – be more strategic, achieve your goals, and feel on top of it all at the end of the day

“Sherpa keeps me on task, on target, and on top of things so I can be more productive and leave work at work.”

Greg Wells
Chief Alliances & Markets Officer
 Vistage, the world's largest CEO membership organization

The Standard Sherpa Workflow Program is based on the proven Sherpa Workflow Methodology developed by Sherpa Performance Guides principals Guido Groeschel and Mike Salomon.

Sherpa Performance Guides is the only consulting and training company that gives you the tools, the know-how, and the hands-on guidance you need to be in control and get the most out of your busy work day.

The Standard Sherpa Workflow Program gives you guidance, the habits, and the tools so you have the comprehensive system you need to be successful today.

“I have cut in half the length of my weekly one-to-one meetings with my leadership team members.”

Carl Heaton
Chief Executive Officer
American Capital Group
